

Environment Students Society

Notes for May 4th, 2015

6:00-7:00 pm, EV3-3403

University of Waterloo, Waterloo, ON

Present members: Isabella, Zifan, Nilani, Shannon, Katee, Julia, Tony, Kyla, Jenny

Regrets:

ESS Council Updates

President's Updates

- All executive council members must post office hour availability on the Google Doc sheet provided ASAP
- More collaboration in the events within the faculty with other associations

VP Internal

- Running meetings
- Assist Isabella and her responsibilities
- Making sure everything in the office is running smoothly

VP Finance

- In charge of any finance related matters
- Make events more affordable for students

Social Director

- Events
- Environment week running second week of July
- S'mores night
- Beach day
- Posters need to signed and logged before they are posted
- Make sure posters have the ESS stamp on it
- Check every Friday that the posters are taken down
- Create more of an energy within the faculty

VP Operations

- Working closely with the president, communication director to promote and encourage students to come out to events to meet other people outside of their program

Communications

- Spreading awareness and information on Twitter, Facebook and e-mailing students

Website Director

- Position appointed to Julia

ENV Director

- Events related to promote environment friendly initiatives

Environment Students Society

Notes for May 4th, 2015

6:00-7:00, (ENV3-3403)

University of Waterloo, Waterloo, ON

VP Education

- More opportunities for students to prepare them for co-op opportunities
- More support for students for co-op; possibly starting a page of “co-op support page” on either Facebook or the ESS website
- Incorporate volunteer opportunities for students
- Resume critique sessions
- Opportunities for REGULAR program students such as internships

Business

- Make sure posters have the ESS stamp on it
- Two days after the event has occurred the poster must be taken down
- First warning is reminder to take the poster down, second warning is having poster rights revoked.

Main goals:

Transition period

Election period

General procedure

Events/marketing (awareness and engagement of students)

Making events sustainable

Co-op support and volunteer opportunities
